Project Title: I Perez Road Improvement Project

Project Location – Specific:

Perez Road is located in Cathedral City within Riverside County. The Perez Road Improvement Project is located in the Downtown area of Cathedral City bounded on the west and south by the Cathedral Canyon Channel and Kieley Road, the east by Date Palm Drive and on the northeast by the Whitewater River.

Project Location – City: Cathedral City

Project Location – County: Riverside

Description of Project:

The Perez Road Improvement Project will provide for street, sewer, water line and drainage improvements within the Perez Road project area. Construction consists of street reconstruction, sewer installation, water line and drainage work within public right-of-way, easements and existing Riverside County Flood Control District facilities. Approximately 12,000 linear feet of new gravity sewer mains, manholes and laterals will be installed. The sewer will flow to an existing pump station located at Date Palm Drive planned to serve the Perez Road area. The sewer will serve the same purpose of existing old and leaking septic tanks in the area which will be eliminated and replaced with the new sewer.
